

# DIGITAL SOLUTIONS

## SEARCH ENGINE OPTIMIZATION

WHY IT'S IMPORTANT TO BE AT THE TOP OF THE ORGANIC SECTION ON

- **80%** of consumers will conduct an online search before making a purchase
- After doing a search, **90%** of the clicks on page one of Google go to Organic listings
- The first 5 Organic results get **67.6%** of ALL clicks
- Results on pages two and three get only **5.59%** of clicks after a Google search

## HOW OUR SEO PROGRAM WORKS

- You choose the keyword phrases you'd like to appear for on page one of Google (see chart below for pricing).
- Pay only **\$75 / month** for your campaign until you see **REAL** results! No more spending hundreds of dollars every month without seeing success. Until we get you on page one, you only pay **\$75 / month!**
- Once you appear on page one of Google's search results page for at least one of your keyword phrases, your monthly price will increase to the full price (see chart below).
- All campaigns must be at least **12-months**.
