## **BLOOMBERG RADIO EXPANDS IN BOSTON**

Now Available on 106.1FM, WRCA 1330 AM and 92.9/WBOS-FM HD2

**July 3rd, 2017 (Boston, MA)** – Bloomberg Radio, the world's only global 24-hour business and radio station, in conjunction with Beasley Media Group, Inc., a subsidiary of Beasley Broadcast Group, Inc. (NASDAQ: BBGI), announced that starting tomorrow July 4th at 12:00pm ET, Bloomberg Radio can now be heard on Beasley Media Group's 106.1FM, WRCA 1330 AM and 92.9/WBOS-FM HD2. Bloomberg Radio will continue to broadcast on WXKS 1200AM/94.5FM-HD2 for the next few months.

"We have been eager to expand our presence in the Boston area to deliver the best of Bloomberg Radio to this important market of those who manage money, move markets and shape the future of global business and the innovations of tomorrow," said Al Mayers, Global Head of Bloomberg Radio and Television.

"We're excited to partner with a global news and business leader of Bloomberg's magnitude," said Beasley Media Boston Vice President and Market Manager Mary Menna. "This unique programming underscores the company's commitment to providing our listeners with the very best content and compliments our five existing music brands in Boston."

Listeners will also be able to tune in to Bloomberg's broadcast of the 2017 Boston Pops Fireworks Spectacular, tomorrow at 8:00pm ET. Bloomberg is the exclusive media partner of this year's concert.

Powered by more than 2,700 journalists and analysts in more than 120 countries, Bloomberg Radio's resources are unparalleled. In addition to Boston, Bloomberg can be heard on its three other flagship radio stations in New York, Washington, D.C. and San Francisco. Bloomberg shows and short form reports are also heard on over 300 top radio stations across the United States, including leading all-news radio stations in major cities from coast to coast. Bloomberg Radio can also be heard nationally on SiriusXM satellite radio channel 119, and internationally streaming live on the Internet and the Bloomberg Radio+ mobile app.
